ITS OUR BIRTHDAY

2013 is definitely the year of the Rooster.

The Rooster turns 20 years young and we will be ensuring that we are celebrating all year long. Many exciting events will happen throughout the year with the focus on fundraising and gaining more financial support by sponsors and by grants. Roosters pride themselves

on being competitive on the field and the best social club off the field. Generally we don't need much encouragement to start celebrating and with our 20th birthday year the Board of Directors with the support of the members wish to turn the year into one that no one can forget! Our first event will be a club dinner held at Club Helensvale.

Other major events will be a bowls day, the 100 Club, as well as the possibility of trivia night and race day. If there is something you wish to have on the social calendar please let your Board of Directors know. The final celebration will be the end of year presentation night where we can all sit back and enjoy a great season at the Roosters.

North Gold Coast Hockey is the newest and most exciting hockey club on the Gold Coast.

We are a very family orientated and friendly club, with a number of social events being planned throughout the year, involving both Junior and Senior members.

In our first year, 2011, we managed to achieve 5 of our 8 senior teams getting through to the playoffs. A rather impressive feat. Our div 2 women's team were the team that managed to win the title in their first year and with a number of other teams looking very competitive 2013 promises to be an even better year.

REFERRAL BUSINESS FUNDRAISING

Do you have a business that can help out our club members. NGCR would like to start a referral list of our Member business's. All we ask is that if a referral comes from NGCR that the business donates 10% of the business sale to the club.

If you are interested please contact us on committee@ngchockey.com. Your business will then be circulated out to all club members and posted on our Website.

Members can then contact the committee on committee@ngchockey.com and the club will pass on details to the business.

Every cent will only assist the club so your help is much appreciated.
